CCD OPPORTUNITIES

We are currently looking for a new CCD Coordinator. Many thanks to Brian Barnes, who coordinated our revived program this past year and helped us to get up and running again!

Brian has retired, and we are looking for someone to replace him. We'd also like to have some substitute teachers and/or classroom aides. If you're an educator, or education administrator, or would like to learn and help teach the faith to our youth, please prayerfully consider helping out as our coordinator, or teacher, or aide this coming academic year.

FAITH COMMUNITY NURSING**Topic: Fall Prevention**

Oops A Daisy!

When you think about someone falling, what's the first thing that comes to mind? A fall from a ladder, slipping on ice, tumbling down some stairs? Did you know that "same level falls" are the most common type of fall and can just as easily break bones, hurt your head and leave plenty of potentially embracing evidence that you had a mishap. The Christian soul knows it needs Divine Help and therefore turns to Him Who loved us even while we were yet sinners...Repentance is not self-regarding, but God-regarding. It is not self-loathing, but God loving. Christianity bids us accept ourselves as we really are, with all our faults and failings and our sins.

Archbishop Fulton J. Sheen
