KEYBOARDIST/ORGANIST NEEDED

St. Patrick's Parish in Tolono is searching for a keyboardist/organist, a part-time position, to play at our weekend Masses; Saturdays at 4pm, and Sundays at 10:30am. Ideally the musician could also be the Music Director, which would entail choosing the hymns appropriate for each weekend's liturgy, and help to build up our choir. Candidates should be familiar with the Catholic liturgy, the sung/played Mass parts, as well as Catholic funerals and weddings. If you are interested, please contact the parish at the Parish Office: (217) 485-1129, or Rectory: (217) 1224, or via email: officeofstp@gmail.com.

EXTRAORDINARY MINISTERS OF HOLY COMMUNION MEETING

All current, and prospective Extraordinary Ministers are asked to attend a meeting/training session in the church on Wednesday, July 12, at 7pm. The meeting will be only about half-an-hour. If you are interested in helping distribute Holy Communion during Mass, and/or bring Holy Communion to shut-ins, please attend this important meeting.

THE CHOSEN

Are you interested in a group viewing of this series at the parish hall with discussion after? Call/email the office with your day/time preferences. This would begin in the fall if there is interest.

DIOCESAN 25TH & 50TH WEDDING ANNIVERSARY CELEBRATION

On September 10, 2023 at 3:30 pm Bishop Tylka will celebrate a Mass at the Cathedral of St. Mary for couples who are celebrating either their 25th or 50th wedding anniversary in 2023.

Please call/email the office if you would like your names added to the living couples from our parish who are celebrating 25 and 50 years of marriage in 2023. This form will be turned into the diocese on July 28th.

These couples will receive a personal invitation from the Bishop.

The kind person bears with the infirmities of others, never magnifies trifles, and avoids a spirit of fault finding... You are infinitely precious because you are loved by God.

Archbishop Fulton J. Sheen

BLESSING AND INVESTITURE

On the weekend of July 8-9, following all masses, Fr. Pat will offer the blessing and investiture of the brown scapular of Our Lady of Mt. Carmel.

Those who would like to participate are asked to remain in their pews following the recessional hymn.

PRO-LIFE VOLUNTEERS NEEDED

FAITH COMMUNITY NURSING**Topic: Women's Health**

"Women experience many unique health issues: pregnancy, childbirth, and menopause. Some health issues that affect both men and women pose unique challenges for women. Both pregnancy and childbirth can lead to serious long-term health problems for women. The number of women with severe complications of pregnancy (many preventable) are increasing. Strategies to decrease unplanned pregnancies and make sure women get high quality health care before, during, and after pregnancy can help reduce serious health problems and deaths.

Women are also at risk for diseases like breast and cervical cancer. Screening for these diseases and health issues that disproportionately affect women is key to identifying problems and making sure women get the treatment they need." [Healthy People 2030 | health.gov](https://www.health.gov/ourresearch/healthy-peoples-program/2030-healthy-peoples-program/) Please refer to the adult wellness checklist of topics and tests for your age group, and be sure to bring with you to discuss with your primary team.

Faith Community Health at Carle connects you and your faith community to needed healthcare and wellness support, taking a whole-person approach to health.
