ALTAR & ROSARY

The A&R Society is holding a "No Bake Sale" for the Thanksgiving holiday. Please place your donations in the collection basket in an envelope marked "No Bake Sale."

Our blessed Lord was hopeful about humanity. He always saw men the way He Originally designed them. He saw through the surface, grime, and dirt to the real man underneath. He never identified a person with sin. He saw sin as something alien and foreign which did not belong to man. Sin had mastered man but he could be freed from it to be his real self. Just as every mother sees her own image and likeness on her child's face, so God always saw the divine image and likeness beneath us.

Archbishop Fulton J. Sheen

FAITH COMMUNITY NURSING**Topic: Faith and Hope Month-Organ & Tissue Donation**

Did you know all major religions support organ and tissue donation or support the individual choices of its members? National Donor Sabbath (November 10th – 12th) is part of a donation initiative launched by the United States Department of Health and Human Services in 1997. The three-day national observance seeks to include the days of worship of major religions practiced in the United States. During National Donor Sabbath, donation and transplant professionals join faith communities to focus on the lifesaving and healing gifts passed to others through organ, eye and tissue donation.
