FAITH COMMUNITY NURSING

Topic: National Nutrition Month

The theme for 2024 is "Beyond the Table," which addresses the farm-to-fork aspect of nutrition, from food production and distribution to navigating grocery stores and farmers markets — and even home food safety and storage practices. It also describes the various ways we eat — not only around a dinner table, but also on the go, in schools and restaurants, at games and events. This theme also includes sustainability, for instance, decreasing food waste from school and work to home and beyond. A registered dietitian nutritionist can help you create healthy habits that are sustainable and suit your unique needs!

Please see link below for more information:

Faith Community Health at Carle connects you and your faith community to needed healthcare and wellness support, taking a whole-person approach to health.
