FIRST FRIDAY ADORATION

Friday, July 5th, a Holy Hour of Adoration will be held after the 8 am mass at St. Patrick.

Fr. O'Neal will be available to hear confessions during this time.

CARE OF GOD'S CREATION

9 -- A Weekly Tip on Caring for Our Common Home
To conserve water, wash your car less frequently and use a commercial car wash. Estimates are that an average homeowner uses more than 100 gallons of water to wash a car while most car washes use significantly less and properly dispose of dirty water. Runoff from car washing in a driveway, street or parking lot can pollute the environment.

10 -- A Weekly Tip on Caring for Our Common Home
Use matches instead of disposable lighters to light the grill or fireplace or for other uses. Estimates are that 1.5 billion lighters end up in landfills each year, and they are made of plastic and contain butane, neither of which is environmentally friendly. Paper matches are made from recycled paper.
