

The Holy Spirit
descended upon him
in bodily form
like a dove.
And a voice
came from heaven,
You are my beloved Son;
with you I am
well pleased.”

Luke 3:22

FAITH COMMUNITY NURSING

Topic: Cervical Health Awareness

Some issues are difficult to discuss, especially if they are personal. There is nothing more personal than your sexual health, and through Cervical Health Awareness Month as a prompt, we urge you to take this opportunity to talk to your medical provider and ensure you are up to date with screening for cervical cancer and HPV, human papilloma virus, which can lead to severe disease of the gynecological system, including cervical cancers.

Screening is safe, easy, and saves many lives yearly! Starting at age 21, screening should occur on a regular basis as prescribed by your medical provider. See link below for more information.
