FAITH COMMUNITY HEALTH SERVICES**Diabetes Awareness Month**

According to the American Diabetes Association (ADA), over 38 million people have diabetes and nearly 90 million have prediabetes. Those numbers have doubled in the last 20 years. Watch for common symptoms of diabetes include urinating often, feeling thirsty, extreme fatigue, blurry vision and weight loss. The risk of complications from diabetes can be decreased with early detection and treatment.

2025 ADA APPEAL

Thank you to all who made a pledge to the Annual Diocesan Appeal. To date, we have received 35 gifts/pledges totaling \$17,534 towards our assessment of \$25,566. Your generosity helps give food to the hungry, training to our seminarians, and give support to parishes. The ADA helps parishes support programs for forming children like Catechesis of the Good Shepard. If you have not completed a pledge card, please do so.

There are envelopes in the pews. Every dollar raised to make our goal supports important diocesan ministries, and every dollar raised over our goal will be returned to the parish. To those who have pledged, thank you!

Please mail cards/pledges/payments directly to the Diocese.
