FAITH COMMUNITY HEALTH SERVICES

Diabetes Awareness Month

According to the American Diabetes Association (ADA), over 38 million people have diabetes and nearly 90 million have prediabetes. Those numbers have doubled in the last 20 years. Watch for common symptoms of diabetes include urinating often, feeling thirsty, extreme fatigue, blurry vision and weight loss. The risk of complications from diabetes can be decreased with early detection and treatment.

Learn more about living with diabetes, nutrition information, activity and medication management here:
