ALTAR AND ROSARY NEWS

Today after Sunday, 10:30 am Mass, please join us at the parish hall for a brunch.

After the brunch, there will be games to play and children's fall crafts.

The meat raffle drawing will also be held at this event.

There are two births of Christ, one unto the world in Bethlehem; the other in the soul, when it is spiritually reborn. Men think of the former much more than the later, and celebrate it every year; but the spiritual Bethlehem is equally momentous.... It was the second birth that Saint Paul insisted on when he wrote from prison to his beloved people, the Ephesians, asking that Christ may dwell in their hearts by faith and that they be rooted and grounded in love. This is the second Bethlehem, or the personal relationship of the individual heart to the Lord Christ.

Archbishop Fulton J. Sheen

FAITH COMMUNITY HEALTH SERVICES

National Epilepsy Awareness Month

November is National Epilepsy Awareness Month, and it's a powerful opportunity to:

- Educate the public about epilepsy and seizures.
- Advocate for better access to care, research funding, and anti-stigma efforts.
- Support individuals and families affected by epilepsy.

The Epilepsy Foundation and other organizations often host events, share personal stories, and promote campaigns like #SeizureFirstAid to teach people how to respond when someone has a seizure. See the link below for information about understanding and living with Epilepsy, resources and support available.
